***RE: Request for TASC Support***

Dear Ms. Libertz:

On behalf of the BoRit Asbestos Area Community Advisory Group (CAG), we respectfully request support from the Agency's Technical Assistance Services for Communities (TASC) Program.

We understand the TASC contractor is prepared to present an overview of the program and conduct a needs assessment of our group. The CAG's next meeting is scheduled for Wednesday, April 2, 2008 at 6:30PM in Upper Dublin. If the presenters are unavailable to attend this session, we hope they will be able to present at the May meeting, which is anticipated to be held on May 7<sup>th</sup>.

As you are well aware, the BoRit CAG operates on a consensus basis. Please know that at our last meeting held on Wednesday, March 5<sup>th</sup>, all Members present agreed that the CAG should pursue support from the TASC Program. We all are eager to explore what services the program has to offer our community.

We sincerely appreciate your assistance in establishing this additional resource for our group.

Very Sincerely,
