

BO-RIT CAG FUTURE PLANS GROUP MEETING
September 23, 2009

The Future Plans Group of the Bo-Rit CAG held a meeting on September 23, 2009 at 6:30 pm in the Upper Dublin township building. Below is a synopsis of that meeting.

Attendees:

Sal Boccuti	Edythe Marincola
Carol DiPietro	Beth Pilling
Bernadette Dougherty	Steve Ware
David Froehlich	

Meeting Summary:

A brief Power Point Presentation was given by Beth Pilling which included a pictorial history of the site, and depicted scenarios for the Kane Core property. All of these scenarios included a park-like, public access environment; the idea being that any future use of the Bo-Rit site would complement the surrounding open space area.

After the presentation a discussion ensued, culminating with a general agreement that future meetings will be held in order to formulate a unified comprehensive plan for the site. Once finalized, the CAG should present the plan to the EPA as its vision.

Respectfully submitted,

Salvatore A. Boccuti
