The Honorable Rick Taylor  
Pennsylvania House of Representatives  
701 Horsham Road, Suite 101  
Horsham, PA 19044

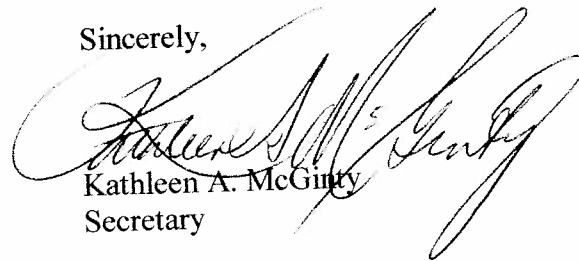

Dear Representative Taylor:

Thank you for your letter dated May 7, 2008, regarding the placement of the BoRit Asbestos Site (BoRit) on the Environmental Protection Agency's (EPA) National Priorities List (NPL). Your letter requested Governor Rendell's support for this action on behalf of your constituents in Ambler Borough, Whitpain Township, and Upper Dublin Township.

I am pleased to confirm to you that on June 20, 2008, I sent a letter to Mr. Donald Welsh, EPA Administrator for Region 3, supporting the listing of the BoRit site. This action should help secure the remediation of the site above and beyond the current efforts that are underway by EPA and the Department of Environmental Protection (DEP).

Thank you for your interest in this matter. I hope this information is helpful. If you need further information, please contact Mr. Michael D. Sherman, Deputy Secretary for Field Operations, by e-mail at [msherman@state.pa.us](mailto:msherman@state.pa.us) or by phone at 717-787-5028, or Mr. Joseph A. Feola, Director of the Southeast Regional Office, by e-mail at [jfeola@state.pa.us](mailto:jfeola@state.pa.us) or by phone at 484-250-5942.

Sincerely,

Kathleen A. McGinty  
Secretary
